

We are excited to be able to bring to our community the 167th Oswego County Fair. The theme of this year's fair is "Farm, Family and Freedom, Celebrating 250 years of America". We have a lot of fun events planned and are excited to share everything about them! We are kicking off the first day with elected official and senior citizen day, a parade, fireworks and so much more. Lew E Comedy Circus will be present throughout the fair and perform 2 -3 times a day. He provides a fun show for our families! We will also have a live mural painter Alesiafy back bringing another wall to life with her vibrant art, a talented wood carver Harley Hartwood demonstrating and selling wood carvings, an interactive bird sanctuary as well as rides by Ontario Amusements! Our talent show that brought last year's NY State maxi and mini winners is scheduled. We are bringing back the evening Jackpot horse Barrel racing, along with the demolition derby's, the truck and tractor pulls and for the first time ever we will have a RODEO! In addition, there will be live talent such as the Nelson Brothers, Grizzly Ridge Band, American Idle Golden Ticket winner Ricky Boyce, Still Kickin, Wildcard Line Dancing, Mariah Kat and Fritz's polka band! We are happy to announce that we have also planned a fun car show that will be bigger and better than ever.

We are super excited to share that Huckleberry Café will be running our Fair Café again this year with their well known and loved foods as well as lots of amazing food trucks, ice cream options, our famous dairy building with milk and cheeses, specialty drink trucks and so much more food choices than ever before! In addition, we will have our youth building open with interactive play areas, including a children's construction site, farm, store, post office and more. A bubble fun area will be provided to our youth as well as activities and of course our bike drawings! The Domestic Arts and Agriculture building will feature our county Dairy Princess and more! Our barns will have animals such as goats, cows, horses, chickens and rabbits to check out with animal shows held throughout the 5-day fair. We will also have buildings designated for vintage tractor displays and one for vendors as well as vendors and yummy fair food and fun drinks available thorough out the grounds. So much fun to be had!
