Section 20-Twilight Rooster Crowing Contest
Wednesday August 9th-Saturday August 12th
Premiums: \$20.00, \$10.00, \$5, 00

- Contest will be based solely on the number of “crows” recorded during specific periods and not the volume, tone or musical quality
- * The male having the most crows recorded to his credit at the end of the week will be declared Champion
- * Number of crows will be recorded during a 15 minute period each day
- This contest has much practical value, as crowing indicated vim and vigor
- Crowing contests have been a feature of Brussels, Belgium shows for many years, the theory being that the lustily crowing male is a worth male for the thrifty, laying hen.
- All breeds and varieties of poultry entered in the regular classes are eligible.
- Exhibitor is to present each night and is responsible for seeing their bird(s) are placed in competition and returned to their own coops.
